MESSAGE FROM THE PRESIDENT

On behalf of the AID Executive committee, I would like to extend a warm welcome to the 61st Rising Star Championships. The AID has a long lasting history within the Ballroom Dancing community in Western Australia and our main objective as a newly elected board, is to preserve this history whilst creating events to a standard that inspire and thrill our Dancers to perform at their best.

We would like to thank you for your attendance as we understand that these types of events are largely successful due to your support. Any feedback is greatly appreciated as we strive to provide a series of events that are not to be missed by any dance enthusiast.

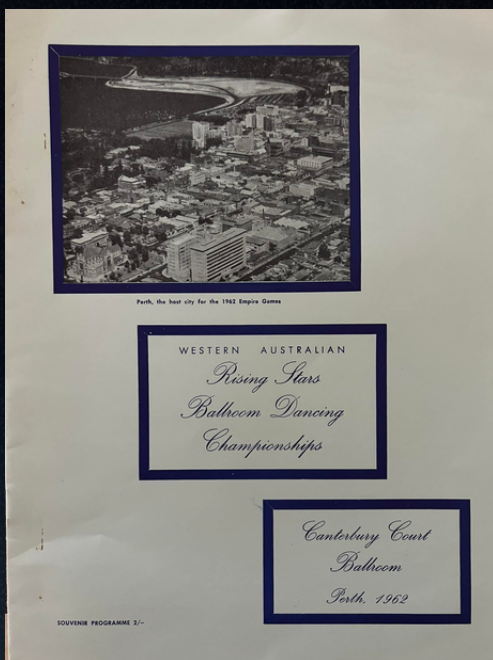

Good luck to everyone dancing today, perform with every ounce of your soul.

Steven Grinbergs
President | Australian Institute of Dancing

HISTORY

Below is the program from the very first AID Rising Star, held in 1962, supplied by the very first Amateur Modern winner of the event, Len Humphreys OAM, who just happens to be adjudicating at the event this year.

The programs might be in colour now, but the ideals on which the AID was founded, to promote Ballroom Dancing to the wider community and advance the interests of our profession have remained the same since day one.
